This Church is perfect for a Masjid. It is already pre-zoned for a Masjid. It doesn't need any improvement and we can use it immediately after purchase. We can use the classrooms for our Islamic School without any need for new construction. There is no masjid or Islamic school in the close by area, despite of large Muslim population.

Build a house in Paradise by donating for this noble cause and the reward for this is **Sadaqa Jariyah** (continues until the Day of Judgement). Donate generously towards this noble cause. Your donations will be tax deductible.
